

## 5G-DiGITs launches its first Brokerage Event the 26<sup>th</sup> of May in Dublin

- The event will bring together educational institutions, VET providers, and research centers to foster collaboration in 5G technology development. The second in-person consortium meeting will also take place

The poster features a green and blue color scheme with a circuit-like background. At the top right, the 5G-DiGITs logo is displayed next to the European Union flag and the text 'Co-funded by the European Union'. The main title '5G-DiGITs Brokerage Event in Dublin' is in large green letters. Below it, a calendar icon shows 'May 26' and the text 'Monday, May 26th, 2025, 6:30pm - 8:00pm'. A location pin icon is followed by 'Tcube Coworking - 1 O'Connell Street Lower, Dublin'. A large blue button with white text says 'REGISTER NOW'. To the right, an illustration shows two people on a city street with a large '5G' logo and a Wi-Fi symbol. Below the illustration, the text reads: 'Join us for an early evening opportunity to connect with peers in the Irish tech ecosystem and to discuss the future of 5G in Europe.' At the bottom, a row of logos includes Inercladigital, CNC Solutions, Finnova, AS, FGS, envolve, UNIVERSITAT POLITÈCNICA DE VALÈNCIA, INFOLYSIS, TECHIN, and TECHNISCHE UNIVERSITÄT CHEMNITZ.

**Brussels, 9<sup>th</sup> April 2025.** On Monday, 26<sup>th</sup> May 2025, Dublin will host the first **5G-DiGITs Brokerage Event**, a space designed to strengthen cooperation between **higher education institutions, vocational education and training (VET) providers, and research centers** in the field of **5G technologies**. The event will take place at **TechMeetupSpace** in central Dublin from **18:00h to 19:45h CEST**.

The **Brokerage Event** will provide a unique opportunity to **connect with key players in the Irish tech ecosystem** and discuss the future of 5G in Europe. The session will feature expert roundtables, a debate on policy recommendations, and an open networking session.

This event is part of the **second in-person consortium meeting** of the **5G-DiGITs** project, which will be held on **26<sup>th</sup> and 27<sup>th</sup> May** at the **Tcube coworking space in Dublin**. During these meetings, project partners will review the progress of work packages and advance the development of this initiative, funded by the **European Commission under the Erasmus+ programme**.

**Register now for the Brokerage Event:** <https://bit.ly/42rWHqN>

## About 5G-DiGITS

The **5G-DiGITS consortium** is led by [Envolve Entrepreneurship \(Greece\)](#) and brings together leading institutions and organizations across Europe: [INFOLYSIS](#), [National and Kapodistrian University of Athens](#), [CNC Solutions](#) (Greece), [Accelr8](#) (Malta), [F6S IE](#) (Ireland), [Finnova](#) (Belgium), [Inercia Digital](#) and Universitat Politècnica de València (Spain), [Karlstads Universitet](#) (Sweden), [TECHNISCHE UNIVERSITAET CHEMNITZ](#) (Germany) and [Techin](#) (Lithuania).

This collaborative initiative aims to position **Europe at the forefront of 5G innovation**, equipping a highly skilled and competitive workforce to meet the demands of an increasingly digital world.

The project runs for **36 months** with a **total budget of €1,745,421**, funded by the [European Commission](#) through the Erasmus+ programme.
